INTRODUCTION

SCLA Mediation Experts Training Programs introduces the core principles and methods of alternative dispute resolution. The training programs provide a strong foundation in mediation skills through lecture, small group exercises, and role-playing, and is rich in both theory and practice.

The 2nd SCLA MET Training program is designed for both novice and experienced mediators. The program is designed for a small group training to practise, where the delegates will be trained by involving in a real case practise in the international mediation through practice. The experienced trainers will provide in-hand guidance for the participants during the practice.

Through the 3 hours online training program, together with the independent study, the participants are expected to have an enhanced understanding of:

- **Conflict and problem-solving strategies;**
- **Mediation styles and approaches across different cultures.**

The participants who successfully completed the exam will receive a certificate.

When registering through **SCLA Academy**, you will not only obtain lifetime access to the course and all the documents but also you will be enjoying a journey of relationship building, as you will have access to all the contact of the speakers, panellists as well as all the participants. You are invited to a lifelong interest group and community to stay connected. You are more than welcome to send emails through the academy to those colleagues anytime and anywhere.
